

Northamptonshire Highways

Highway works on Harringworth Road, Deene

Please look out for advance warning signs and diversion route

- **Start date:** Monday 9 May 2022
- **Completion:** Wednesday 11 May 2022
- **Scheme type:** Parapet Repairs
- **Traffic management:** Road Closure
- **Hours of work:** 09:00 – 16:30

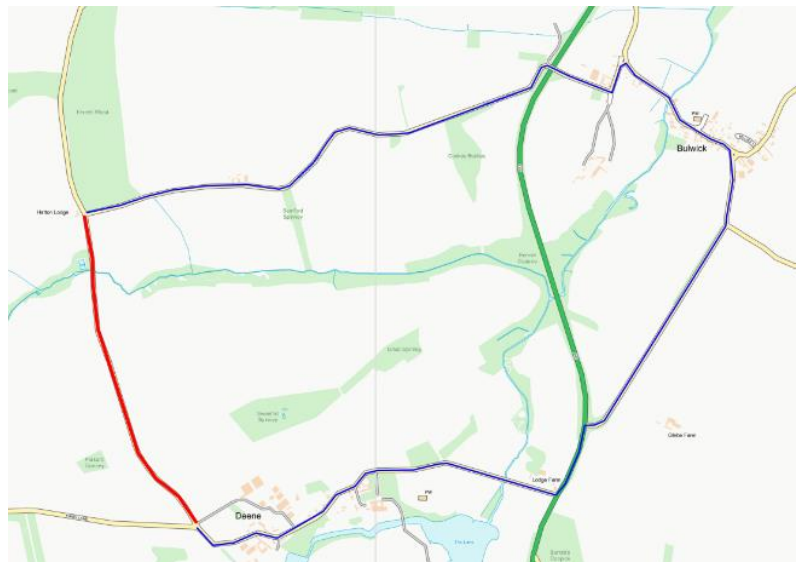

What we are doing / the benefits – Northamptonshire Highways are scheduled to carry out essential repairs to the culvert located on Harringworth Road, Deene.

Traffic Management

To maintain the health and safety of the workforce and the public the works will be carried out under a full road closure. The plan opposite shows the road closure in **red** and diversion route in **blue**. Access will NOT be maintained for residents and Businesses during the working hours. The onsite team will also be positioned at the road closure gates to assist where required.

What about parking? During the operation, please do not park blocking the access route for cars and pedestrians. Please park safely and legally elsewhere.

During the works:

Vehicle access to properties will **NOT** be maintained, as none are within the closure extents. Delays are likely, we kindly advise that you allow a little extra time for your journey. Please adhere to any advisory signs and speak to the onsite operatives to arrange access.

Pedestrians: Access will be maintained when safe to do so.

Cyclists: Access will be maintained when safe to do so and cyclists will be required to dismount before proceeding through the works.

Public transport: There will be no disruption to public transport as there is currently no public transport along this section of road.

Emergency services: If access is absolutely necessary, we will arrange to get you through the closure, but there would be a delay as the man-anchor would require dismantling.

Our Commitment to You

Northamptonshire Highways is committed to the consistent improvement of the places and spaces in Northamptonshire and to working closely with local communities, residents and businesses to build a better county. We promise to

- Keep the public informed of our programme and any changes
- Minimise disruption
- Co-ordinate with other road works

Contacting us

To ensure any enquiries are dealt with correctly and to report defects please use our online Street Doctor service. This process ensures issues are recorded and dealt with appropriately. Once reported you will be issued with a unique reference number and be able to follow the progress of your enquiry.
